

Hoosier Riverwatch Volunteer Water Monitor Training

Friday, July 26th, 2024

9am-4pm

The Res

13950 Scout Ln

Mishawaka, IN 46544

FREE! Open to any adult interested in learning more about our waterways. Participants will learn hands-on methods for testing water quality and be certified to borrow testing equipment and test their own location. Great for teachers!

Session will be held indoors and out. Please bring a sack lunch and dress for the weather.

Pre-Registration required by July 19th
